Wednesday, 25th July 1962.

The House met in the Legislative Assembly Hall Vidhana Soudha Bangalore, at Ten of the Clock.

Mr. SPEAKER (SRI B. VAIKUNTA BALIGA, B.A., B.L.) in the Chair.

Business of the House.

Mr. SPEAKER.--Yesterday I suppose the understanding was that the Hon'ble Minister would begin his reply today. I had also a number of representations from a number of members expressing their keen desire to participate. Of course, this is not a new situation. I have been having this point in my mind for the last several days and that is why I made several efforts to accommodate and give chance to as many members as possible.

[*The Hon'ble Member Sri B. L. Gowda was seen standing near his seat.*]

Mr. SPEAKER.—The Hon'ble member must know that when I am on my legs nobody should stand up. The Hon'ble member will please note it for future guidance.

Now, I want to know from the Hon'ble Minister whether he can agree to accommodate the House by giving half an hour.

Sri VEERENDRA PATIL (Minister for Public works).—Yes, Sir. I may require about an hour and half.

Mr. SPEAKER.—Then the Chief Minister may like to participate. Therefore, I propose to continue the debate till 10-40 A.M. and four members would be given ten minutes each. No member should ask for one or two minutes more and there should not be any embarrassment. Sri J. Deviah will now speak.

Sri SANJEEVANATHA IKALA (Suratkal).—Sir, yesterday I spoke only for three minutes and I had not concluded my speech. I may be given a chance now.

Mr. SPEAKER.—If he has not finished his speech he may continue it now. He will be given only five minutes.

(*Debate Continued.*)

Sri SANJEEVANATHA IKALA (Suratkal).—Sir, yesterday I could bring forth only a few points about our district. To-day I want to make a particular reference to one of the constituencies in my district, *i.e.*, Belthangady. The people of that constituency have the unique privilege of their representative occupying the exalted position in this House. As such you Sir, cannot champion. the cause of that constituency. So, I deem it a privilege to bring forth a few points relating to Belthangady constituency. Though you, sir, can safeguard the interests of several representatives and enable them to ventilate their grievances the people
